LOCATION

The Junior College has a beautiful and ideal location at Goodman. The railroad and highway accommodations are excellent. The buildings and grounds are commodious and attractive.

RECREATION

Tennis and other outdoor sports are provided for students during their leisure time. Holmes County State Park is nearby with facilities for swimming and other forms of recreation.

NON-RESIDENT TUITION

A NON-RESIDENT charge of \$48.00 per six weeks term and \$24.00 per three weeks term for all students whose parents or guardians are not legal residents of the State of Mississippi. This tuition applies equally to all high school and college students not legal residents. The tuition also applies to high school students who are NON-RESIDENTS. TUITION is due and payable at the beginning of each term.

LAUNDRY

All students are required to use the college laundry. A charge of one dollar per week is made for this service.

PURPOSE

1. To reduce the number of years in school.
2. To make up deficiencies or remove conditional grades.
3. A useful way of spending a vacation.
4. To validate work in non-accredited schools.
5. To allow teachers to further their credit work.
6. To allow teachers to renew or extend credits.

COLLEGE CREDIT

By attending two five week terms, a college student may earn as much as twelve hours of college credit.

HIGH SCHOOL CREDIT

A high school student may earn, during the 1954 summer school, the maximum amount of credit recognized by the State Accrediting Commission for summer school. This amount is one and one-half units of new work, or two units of review work.

FACULTY

Teachers of splendid training and experience have been secured. They are well prepared to teach their subjects both from knowledge of subjects and from educational principles of teaching.

ADVANTAGES

Holmes Junior College has a healthful location and can be conveniently reached by railroad or highway. The buildings are so arranged that the campus presents a quiet and attractive atmosphere together with the coolest atmosphere available. All of the buildings are brick, well screened and with modern equipment. The boarding students are under the watch and care of matrons and faculty members who advise with the students on their different problems. Our library of around 10,000 books is open for summer school students.

LATE REGISTRATION

Late registration is not advisable. Since the terms are short, each student should be in class the first day.

COLLEGE

The following courses will be offered at Holmes Junior College during the summer of 1954 if as many as ten want the work.

First term begins Monday, June 7, 1954, and ends Saturday, July 10, 1954. Second term begins July 12 and ends August 14.
